

The diagram shows a white rectangular sticky note template on a yellow background. The template is enclosed in a solid magenta border. Inside, there are three nested dashed lines: an outermost green dashed line, a middle magenta dashed line, and an innermost green dashed line. On the left side, three arrows point to these lines: a black arrow to the outermost green line, a magenta arrow to the middle magenta line, and a green arrow to the innermost green line. On the right side, a magenta double-headed vertical arrow spans the height of the sticky note, with a horizontal magenta line at its base. The text 'ADHESIVE' is written in magenta above this arrow. In the center of the sticky note, there is bold black text for the final trim size, followed by a smaller line of text, and a paragraph of instructions.
